Tender Details

The Energy Corporation of NSW seeks to engage a suitably qualified and experienced professional services contractor to undertake a topographic and features survey and LiDAR survey to develop the CWO REZ Network Infrastructure Project.

The Service Provider must satisfy the following mandatory requirement:

Must have completed a topographic and features survey on a major infrastructure project (with a contract value of at least \$500 million), within the last 3 years.

Location

NSW Regions: Central West, Orana/Far West

RFT Type

Open Tenders - An invitation to tender by public advertisement with no restriction placed on who may tender. Tenderers will normally be required to demonstrate in their tender that they have the necessary skills, resources, experience, financial capacity, and in some cases licences, accreditations, etc., to fulfil the tender requirements.
