Tender Details

Public Safety Mobile Broadband (PSMB) will deliver a mobile broadband capability to help emergency service organisations (ESOs) communicate more easily with one another and across organisational and geographical boundaries, helping to keep people safe right across Australia.

The PSMB will represent a step change in how ESOs currently consume mobile data by enabling them to more broadly operationalise the use of data in the field once it is made available as a mission critical resource. PSMB will allow ESOs to make greater use of emerging technologies and data-heavy applications like live streaming from body cameras, personal location tracking and bush fire monitoring drones enabling faster decision making and coordination of emergency responses.

As part of the PSMB Strategic Roadmap, Workstream 3 – PSMB Financial and Business Case, the National PSMB Program is releasing this RFI, the purpose of this Request for Information (RFI) is to invite potential and interested suppliers for workshops to:

1. Inform the market on the latest status of the PSMB; and

2. Seek further market intelligence to inform NSW and the National PSMB program.

The first workshop is planned for 19 July 2022 at 10am AEST. Respondents must complete and return Attachment 1 to the RFI Manager (Rami Hourani, rami.hourani@customerservice.nsw.gov.au) by 5pm on 15 July 2022 AEST to register their interest in attending the workshops and to provide the attendee details.

Location

NSW Regions: Far North Coast, Mid North Coast, New England, Central Coast, Hunter, Cumberland/Prospect, Nepean, Northern Sydney, Inner West, South East Sydney, South West Sydney, Central West, Orana/Far West, Riverina/Murray, Illawarra, Southern Highlands

States and Territories: ACT, NT, QLD, SA, TAS, VIC, WA

RFT Type

Expression of Interest For Pre-Qualification - An invitation for Expression of Interest (EOI) for pre-registration of prospective tenderers for a type of work or service. Applicants are initially evaluated against published selection criteria. RFT may then be invited from a panel of providers (as Selective, or Invited).
