Overview

New Zealand Government Procurement (NZGP) is a branch within the Ministry of Business, Innovation and Employment (MBIE) and is responsible for All-of-Government (AoG) contracts.

The current AoG Electricity solution, established in December 2011, expires June 2022.

In this Request for Proposals (RFP) process, we seek to engage suppliers of Electricity and associated services for a Second Generation of the AoG Electricity contract, which will be put in place by June 2022.
