

GRD SICAP Training Panel 2022

Detailed description:

The aim of this Request for Tender (RFT) is to create a panel of qualified trainers, from which companies will be chosen to take part in a mini competition to deliver training for Galway Rural Development (GRD), under its SICAP Programme [<https://www.grd.ie/social-inclusion>], when and if a need arises. The training programmes to be run over the duration of the panel will depend on demand and availability of funding. Please refer to the tender document provided for Instructions to Tender & Training Categories. Please note that inclusion on this training panel does not guarantee a contract to deliver training for the company.
