

## **Minor Works Framework Market Consultation**

### Detailed description:

The National Transport Authority (NTA) is considering establishing a framework agreement for minor civil engineering and building works. In advance of a potential procurement process for the framework, NTA wishes to engage in a preliminary market consultation with interested parties to obtain their views on how the framework agreement might be structured. Interested parties are invited to complete and return the accompanying Market Consultation Questionnaire in line with the instructions contained therein. This notice is not an invitation to tender or a call for competition.
