

PQ0370 - Online Learner Progress Tracking Software for Birmingham Adult Education Service

Buyer: Birmingham City Council

Description:

Birmingham City Council provides a range of accredited and non-accredited programmes to adult learners from entry level to Level 3 through Birmingham Adult Education Service (BAES). We anticipate having up to 3,500 individual learners on Adult Skills programmes in the academic year 2022/23. As a publicly funded provider, we are required to track the learning and progress of our learners and as a dispersed organisation, wish to do this via an online system. The Council requires a supplier to provide the following for Birmingham Adult Education Service: - An online learner progress tracking system which: -1. Is web-based and mobile device compatible2. Is compatible with our MIS system, ProSolution3. Has the functionality to track all aspects of the learner journey4. Is easily and quickly configurable by non-MIS specialists and has useful inbuilt reporting which does not need to be configured by MIS specialists. 5. Is user-friendly for staff and learners6. Is accompanied by high-quality training from experts in the product7. Is accompanied by responsive, knowledgeable and effective IT support to resolve issues8. Is developed to meet the needs of customers We are seeking an Online Learner Progress Tracking system which needs to be installed in June 2022, with configuration training in late June 2022, user training in the last week of August/first week of September 2022 and ready to go live on 1st September 2022. The Council will be using its free to use e-tendering system (in-tend) for the administration of this procurement process and potential suppliers must register with the system to be able to express an interest. If you wish to express an interest in this opportunity please click on the following link to access <https://in-tendhost.co.uk/birminghamcc/> and submit your details to register. You will then be sent details on how to log on which will enable you to download all relevant quotation documentation. If you are unable to register with In-tend or have any questions or problems on how to use this web site please either email us at: cps@birmingham.gov.uk Your completed quotation submission should be returned by noon on 18th May 2022 via the 'in-tend' system <https://in-tendhost.co.uk/birminghamcc>
