

# **Soldier Unmanned Aircraft Systems (SUAS) - Design and Engineering Services - Official Request for Proposal**

Buyer: W6QK ACC-RSA

---

## **Description:**

View Changes This Request for Proposal (RFP) is being amended to incorporate the Government responses to industry questions; to update the Contracting Officer/Contract Specialists; to incorporate revised RFP Documents and to extend the RFP due date to 21 June 2022.

The new Contracting Officer will be Michael P. Jennings - michael.p.jennings.civ@army.mil.

The new Contract Specialist is Julie Nelson - julie.w.nelson.civ@army.mil.

The documents that have been revised and are now incorporated are as follows:

Attachment 0007 – Section L Design ES dated 11 May 2022

Attachment 0007 Section L - Appendix B Design ES dated 11 May 2022

Attachment 0002 PWS Design ES Task Order 0001 dated 11 May 2022

The United States Government (USG) hereby issues this Request for Proposal (RFP) in anticipation of a Cost Plus Fixed Fee (CPFF), and Firm-FIXed Price (FFP), total Small Business set-aside and cost reimbursement Indefinite Delivery Indefinite Quantity (IDIQ) for Soldier(S) Unmanned Aircraft Systems (UAS) Design and Development Engineering and Services contract. This requirement will provide engineering support for Group I UAS, which consists primarily of the Short-range Reconnaissance (SRR), Medium Range Reconnaissance (MRR), and Long-Range Reconnaissance (LRR) aircrafts as well as the Handheld Ground Control Station (H-GCS).

Offerors shall submit their questions directly to Julie Nelson at

julie.w.nelson.civ@army.mil or request a password in order to submit your questions to Ms.

Nelson via the Department of Defense Secure Access File Exchange (DoD SAFE) website.

All questions are due by 5:00pm, CST on Friday, 06 May 2022. Questions will be addressed on Tuesday, 17 May 2022.

Proposals are due by 12 Noon, CST on Tuesday, 21 June 2022 and should be sent via email to

Julie Nelson at julie.w.nelson.civ@army.mil or request a password from Julie Nelson in

order to submit your proposals via the Department of Defense Secure Access File Exchange (DoD SAFE) website.

The Government intends to award a single IDIQ contract with the individual offeror whose

proposal provides Best Value to the USG based on Source Selection Procedures, with a base plus four

(4) Option Year ordering period IAW the PWS, Attachment 0001 - Performance Work Statement (PWS) Design ES Base, dated 11 March 2021. Please refer to Attachments 0007 and 0008 (Instructions to Offerors) for more detailed information. The USG also intends to award Task Order 0001 entitled, "Attachment 0002 PWS Design ES Task Order 0001 dated 11 May 2022" as a result of this solicitation.
