

## **PLACE131 Design, Supply, Installation and Maintenance of Intelligent Transport Systems**

Buyer: Derbyshire County Council

---

**Description:**

Derbyshire County Council (DCC) are seeking to enter into a long term partnership to improve its intelligent Transport System (ITS) assets over the next 10 years. The contract will be for up to 10 years based on an initial period of 5 years followed by yearly increments of 1 year (5+1+1+1+1+1). DCC will appoint a single contractor for the design, supply, install, and maintenance of our traffic signals and related communications infrastructure. Additionally, DCC are looking for a contractor to also provide first line maintenance for our VMS and VAS signs. Dependant on the performance of the contractor, DCC will add maintenance of CCTV, RMS, UTC, and UTMC from year 5 of the contract.
