**Title**

Technical Assistance for SAAMBAT Programme in Cambodia

**Description**

The Sustainable Assets for Agricultural Markets, Business and Trade (SAAMBAT) project seeks a sustainable reduction in long-term, multi-dimensional poverty, vulnerability and food insecurity as a result of a better connected, more climate resilient, productive, equitable and diverse rural economy. The primary purpose of this assignment is to support the promoter in developing capacity in areas including rural road safety, environmental and social safeguards and climate change resilience/adaptation for rural road infrastructure investments.
