**Title**

Development of a Climate and Decarbonisation Strategy for Transgaz

**Description**

The assignment will support Transgaz to develop a climate strategy that allows it to act in the short term while also preparing for a more substantial energy transition over the decades to come. The objective of the assignment is to create a climate strategy for Transgaz that helps it to efficiently decarbonise its activities and strengthen its resilience to climate changes, taking into account best practices and national and international climate policies and regulations.
