- 3) Copy of GST Registration
- 4) Undertaking GST Registration (Annexure-C)
- 5) RTGS format (Annexure-D)
- 6) Signed copy of NIQ documents

- 1.1 Bidders are requested to quote their rates accepting terms and conditions.
- 1.2 Bidders are not permitted to put any remarks/conditions (except unconditional rebate on quoted rates, if any). In case a Bidder submit a conditional quotation/offer i.e. quotation/offer with some conditions which contradict with AAI Terms & Conditions, his quotation/ offer will be rejected without mentioning any reasons and no correspondence will be made in this regard.
- 1.3 Bidders are requested to submit the self-attested copies of eligibility criteria /qualification documents /credentials as detailed in Notice Inviting Quotation (NIQ) in **Envelope- I (Pre-Qualification Bid )**.
- 1.4 **Envelope- I (Pre-Qualification Bid )** of all the bidders will be opened first. **Envelope- II (Price Bid) will be opened of only those bidders who will meet the eligibility / qualification criteria as per NIQ**
- 1.5 AAI is not responsible for any postal delay in receipt of quotation. The bidder should ensure that the quotation reached on or before the due date & time.
- 1.6 AAI, reserves the right to award the work in part or in full as per the decision of competent authority.
- 1.7 AAI reserve the right to postpone the date of receipt and opening of the quotation. Quotations once submitted will not be returned to the bidders.
- 1.8 All changes, alterations, corrections in the bid shall be signed in full by the person signing the bid, with date. Overwriting is not permissible. Corrections should be authenticated.

- 1.9 The Bidders are advised to put transparent cello tape over their quoted/offered rates, amounts & discount offered if any.

## 2. SCOPE:

- 2.1 The scope of the work includes the **Repairing , Overhauling & Servicing of Diesel Pump**, as per **Schedule of Quantities (Annex- F)** at AAI, Juhu Airport, Mumbai-56.
- 2.2 The Bidder shall be responsible for any damage, resulting from his negligence to existing installations and will restore, replace or repair any such damage to the complete satisfaction of the Engineer-in-Charge. The decision of Engineer-in-Charge for recovery on this account shall be final & binding on the Bidder and such amounts shall be adjusted from his bill.
- 2.3 Contractor has to comply with the provisions of contract labour (Regulations and Abolition) Act 1970 and contract labour (Regulations and Abolition) Central Rules 1971 and Minimum Wages Act & Rules thereof Central and State Governments with up-to-date amendments.

## 3. RATES:

- 3.1 The rates quoted shall be inclusive of all taxes, applicable duties, levies, packing, forwarding, insurance and freight up to the destination/site (AAI, Juhu Airport, Mumbai-56 loading, unloading and insurance etc. but **excluding the GST**. However, if it is applicable for the said work as per prevailing Govt. rules & regulations during contract period, the agency shall have to pay the service tax as applicable as per the Govt. rules & same will be reimbursed by AAI on production of necessary documents on actual basis. It is the responsibility of the successful Bidder to see that the materials shall reach the site safely, get installed properly and get tested & commissioned satisfactorily.
- 3.2 The rates quoted shall be firm throughout the currency of the contract or extended period of completion. However, if there is any statutory variation in the rate of taxes & duties (applicable) during the period of contract, this may be considered by the Authority, provided sufficient proof/documents are submitted by the successful tenderer. AAI shall not give any C/D or any other concessional tax form, hence actual taxes should be indicated and included.
- 3.3 Quotation/Offer with any incomplete / ambiguous details is liable to be rejected without seeking any further clarifications. Any variations from AAI terms and conditions for payment, insurance, freight, security deposit, guarantee and liquidated damages is not acceptable to AAI.
- 3.4 The Bidder shall quote the rates in English language and international numerals. **The rate shall be in whole numbers**. These rates shall be entered in figures as well as in words. The rates quoted shall be in Indian Rupees.

- 3.5 The quotation / offer must be valid up to 90 days from the Date of opening of quotation.
- 3.6 If on check there are found to be differences between the rates given by the Bidder in words and figures or in the amount worked out by him in the Schedule of Quantities, the same shall be adjusted in accordance with following rules;
- (a) In the event of a discrepancy between description in words and figures quoted by a tenderer, the description in words shall prevail.
  - (b) In the event of an error occurring in the amount column of Schedule of Quantities as a result of wrong extension of the unit rate and quantity the unit rate shall be regarded, as firm and extension shall be amended on the basis of the rate.
  - (c) All error in totaling in the amount column and in carrying forward totals shall be corrected.

#### 4. COMPLETION PERIOD:

- 4.1 The Period for completion of work at AAI, Juhu Airport, Mumbai-56 shall be **120 Days**, which shall be reckoned from the date of issue of work order.
- 4.2 **Time Is The Essence Of This Contract:** It must be understood that the agency has agreed for the proposed time schedule after fully considering all such resources and factors, which may have any bearing on the time schedule of the contract, and no extension in the time schedule whatsoever shall be permitted on these accounts by AAI.
- 4.3 **Delays & Non-Conformance:** In case of completion schedule originally agreed upon by AAI and not being adhered to by the agency, the following procedure shall be applicable;
- (a) The agency shall give reason for delays and apply for extension of completion period.
  - (b) AAI may extend the completion period without Liquidated Damages if the reasons given by the agency are found justified. Otherwise, completion period may be extended with levy of Liquidated Damages @ 0.5% of the contract value per week of delay subject to a maximum of 10% of contract value.

#### 5. PAYMENT TERMS:

First & Final payment shall be released by the Engineer-in-Charge after successful completion of the work in all respect subject to deductions / recoveries (if any) as applicable.

**21. FORCE MAJORE**

The contractor shall not be entitled to claim any compensation from MI for the losses suffered by him on account of delay by AAI where such delay is covered by the difficulties relating to supply of wagons, force majeure or any reasonable cause beyond the control of MI

**22. Dispute Resolution Mechanism and Arbitration**

Except where otherwise provided in the contract, all questions and disputes relating to the meaning of the specifications, design, drawings and instruction here-in before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matter or thing whatsoever, in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions, orders or these conditions or otherwise concerning the work or the execution or failure to execute the same whether arising during the progress of the work or after the cancellation, termination, completion or abandonment thereof shall be dealt with as mentioned hereinafter:

- i. If the contractor considers any work demanded of him to be outside the requirement of the contract, or disputes any drawing, record or decision given in writing by the Engineering - Charge or if the Engineer in Charge considers any act or decision of the contractor on any matter in connection with or arising out of the contract or carrying out of the work, to be unacceptable and is disputed such party shall promptly within 15 days of the arising of the disputes request the Executive Director (Engg.) / Regional Executive Director / Member (Pig) / Chairman, MI as the case may be, who shall refer the dispute to Dispute Redressal Committee (DRC) within 15 days along with a list of disputes with amounts claimed if any, in respect of each such disputes. The Dispute Redressal Committee (DRC) shall give the opposing party 6 weeks for written response, and give its decision within a period of 60 days extendable by 30 days by consent of both the parties from the receipt of reference from the Executive Director (Engg.)/Regional Executive Director/Member (Pig) / Chairman, MI. Provided that no party shall be represented before the Dispute Redressal Committee by an advocate / legal counsel etc.

If the Dispute Redressal Committee (DRC) fails to give its decision within aforesaid period or any party is dissatisfied with the decision of Dispute Redressal Committee (DRC) or expiry of time limit given above, then either party may within a period of 30 days from the receipt of the decision of Dispute Redressal Committee (DRC), give notice to the Executive Director (Engg.)/Regional Executive Director/Member (Pig) /Chairman, AAI as the case may be for appointment of Arbitrator on prescribed proforma under intimation to the other party.

It is also a term of contract and each party invoking Arbitration must exhaust the aforesaid mechanism of settlement of claims/disputes prior to invoking Arbitration.

The Executive Director (Engg.)/Regional Executive Director / Member (Pig) / Chairman, MI shall in such case appoint the sole arbitrator or one of the three arbitrators as the case may be within 30 days of receipt of such a request and refer such disputes to arbitration. Wherever the Arbitral Tribunal consists of three Arbitrators, the contractor shall appoint one arbitrator within 30 days of making request for arbitration or of receipt of request by Engineer-In-Charge to Executive Director (Engg.), Regional Executive Director/Member (Pig) I Chairman, MI for appointment of arbitrator, as the case may be, and two appointed arbitrators shall appoint the third arbitrator, who shall act as the presiding arbitrator. In the event of:

- a. A party fails to appoint the second arbitrator, or
- b. The two appointed arbitrators fail to appoint the presiding arbitrator, then Member (Pig) / Chairman, AAI shall appoint the second or Presiding Arbitrator as the case may be.

ii) Disputes or difference shall be referred for adjudication through arbitration by a Tribunal having sole Arbitrator where tendered amount is Rs. 100.00 Cr or less. Where tendered value is more than Rs. 100.00 Cr., Tribunal shall consist of three arbitrators as above. The requirements of the arbitration and the conciliation act, 1996 (26 of 1996) and any further statutory modifications or reenactment thereof and the rules made thereunder and for the time being in force shall be applicable.

It is a term of this contract that the party invoking Arbitration shall give a list of disputes with amounts, claimed if any, in respect of each such disputes along with the notice for appointment of arbitrator and giving reference to the decision of the DRC.

It is also term of this contract that any member of Arbitration Tribunal shall be a graduate engineer with experience in handling public works, engineering contracts at a level not lower than Chief Engineer. This shall be treated as mandatory qualification to be appointed Arbitrator.

Parties, before or at the time of appointment of Arbitral Tribunal may agree in writing for fast-track arbitration as per the Arbitration and conciliation Act, 1996 (26 of 1996) as amended in 2015.

Subject to provision in the Arbitration and conciliation Act, 1996 (26 of 1996) as amended in 2015 whereby the counter claims if any can be directly filed before the arbitrator without any requirement of reference by the Appointing Authority, the Arbitrator shall adjudicate on only such disputes as are referred to him by the appointing authority and give separate award against each disputes and claim referred to him and in all cases where the total amount of the claims by any party exceed Rs. 1,00,000/-, the Arbitrator shall give reasons of the award.

It is also a term of the contract that if any fees are payable to the arbitrator, these shall be paid as per the Act. It is also a term of the contract that the arbitrator shall be deemed to have entered on the reference on the date he issues notice to both the parties calling them to submit their statement of claims and counter statement of claims.

The place of the arbitration shall be Mumbai, Maharashtra. In case there is no mention of place of arbitration, the Arbitral Tribunal shall determine the place of arbitration. The venue of the arbitration shall be such place as may be fixed by the Arbitral Tribunal in consultation with both the parties. Failing any such agreement, then the Arbitral Tribunal shall decide the venue.
