Scoring guidelines

This evaluation grid is divided into **sections** and **sub-sections**. For each sub-section, a score between 1 and 5 is given, in accordance with the assessment scale below:

Score	Assessment

These scores must be added up to obtain the total score for the section in question. Total scores of sections must be carried forward to point 6 and added up to obtain the overall score for the application in question.

For each section, a box is provided for writing comments – which must concern the points covered in the section in question. Comments should be made for each **section**. If an evaluator gives a score of 1 (very inadequate), 2 (inadequate) or 5 (very good) for a sub-section, they must justify this in the "comments" box. These boxes may be enlarged as needed.
