Tender Details

Reflections is seeking tenders from suitably qualified and licensed Electrical Contractors who can provide and deliver a program of electrical testing that meets the compliance requirements of AS3760 In-Service Safety Inspection and Testing of Electrical Equipment. This includes:

- Complete all electrical testing requirements in compliance with AS3760 across the specified sites, excepting 2 yearly testing of Class I and Class II equipment within cabins
- Manage an approved program of electrical testing across the specified sites.
- Supply all testing records in a transferable/exportable record.
- Reports to be issued for each site on works carried out.

Installation of approved RCBOs/RCDs and Plugs.

Location

NSW Regions: Mid North Coast

RFT Type

Open Tenders - An invitation to tender by public advertisement with no restriction placed on who may tender. Tenderers will normally be required to demonstrate in their tender that they have the necessary skills, resources, experience, financial capacity, and in some cases licences, accreditations, etc., to fulfil the tender requirements.
