## Tender Details

TfNSW is inviting suitably experienced and qualified organisations to pre-register their interest to participate in the procurement process for the provision of Independent Certifier Services for the Coffs Harbour Bypass project.

The Coffs Harbour Bypass project is a priority for the Australian and NSW governments as the Pacific Highway is a major contributor to Australia's economy. The bypass will be a key link in this vital piece of the nation's infrastructure, connecting Melbourne, Sydney and Brisbane.

It has a total length of 14 kilometres, which consists of a 12-kilometre bypass of Coffs Harbour from south of Englands Road intersection to Korora Hill in the north, and a two-kilometre upgrade of the existing Pacific Motorway from Korora Hill north to Sapphire Beach.

Additional information on the project is available on the TfNSW website:

[www.pacifichighway.nsw.gov.au/coffsharbourbypass](http://www.pacifichighway.nsw.gov.au/coffsharbourbypass)

To successfully pre-register interest to participate, organisations must follow the instructions outlined in the attached document titled “CHB - Pre-registration of Interest”, including, but not limited, to sections 3 and 4.

TfNSW will accept receipt of pre-registration documents (completed Registration Form, executed Corporate Confidentiality Deed Poll, Individual Deed Poll and Data Room User Access Request Form) until **2:30pm on 20 April 2022** via email at [RegionalProcurement@transport.nsw.gov.au](mailto:RegionalProcurement@transport.nsw.gov.au)

TfNSW may determine (in its absolute discretion) that it is appropriate to consider a late registration request.

All tenderers must comply with the NSW Government Procurement Policy Framework (NSW Framework) and NSW Government Supplier Code of Conduct (NSW Code). Copies of the NSW Framework and NSW Code are available at [www.buy.nsw.gov.au](http://www.buy.nsw.gov.au).
