Tender Details

Corrections Industry and Capacity (CIC) are currently undertaking numerous refurbishments works at various Correctional Centres across NSW. A number of Correctional Centres have requirements to either entirely replace or refurbish individual components of numerous security toilets in order to bring them up to Australian standards.

The security toilet components shall include, but are not limited to the following:

- Security Stainless Steel combination unit
- Stainless Steel trap pan to have 14mm radius front edge and 2 x side access panels
- Stainless Steel Hand
- Security Waste Suicide Resistant.
- Single item Grab Rail Shower
- Anti-ligature Grab Rail
- Single button with Pneumatic Actuator & Cistern Machined metal security button required

- Security dome bubbler outlet fitted to basin with rear flexi connector. Isolation valve included
- Stainless Steel Urinal - 5* WELS rating and Watermark Level 1 Certified
- Cleaner's Sink
- Brackets and waste outlet and;
- Gaolsafe Basin Set Hot & Cold

Security toilet components must meet CSNSW security standards.

Location
