Tender Details

South Eastern Sydney Local Health District (SESLHD) is to acquire a Gamma camera to be located at The Sutherland Hospital (TSH) and is undertaking this Request for Information (RFI) to obtain feedback from suitable service providers for the provision of on-site outsourced Nuclear Medicine Services for this camera.

At the conclusion of this RFI process, SESLHD will determine whether to conduct a Request for Tender (RFT) process. SESLHD may further develop a statement of requirements incorporating industry feedback, the capability of the market, the existence of a competitive market and the capacity of the market to meet the requirements.

The Respondent acknowledges and agrees that SESLHD will not be liable to the Respondent for any costs or expenses incurred by the Respondent as a result of its participation in this Request for Information exercise, including where no procurement activity follows.

Location

NSW Regions: South East Sydney

RFT Type

Invitation To Respond - This is not a tender. The system is being used for invitation for public response to information published on, or accessible through, this website. Examples would include EIS, discussion papers, requests for information, registrations for position appointments, etc.
