Tender Details

The NSW Department of Education is seeking expressions of interest from industry partners for the 2022 **[Game Changer Challenge](#)**. The Game Changer Challenge (GCC) is the department's annual design thinking program open to all 2,200+ NSW public schools and engaging over 3000 students and 400 teachers each year.

Developed to empower participants with design thinking methodology, the program is a powerful problem-solving tool for developing capabilities such as critical thinking, collaboration, empathy and creativity. The challenge ensures our young people are equipped with the skills they need for future jobs.

With a range of engagement options for partners, the GCC offers significant opportunities to have a real impact on the next generation of designers, innovators and leaders and the teachers who mentor them.
