Tender Details

Sydney Trains is seeking responses from experienced suppliers with demonstrated ability to meet its requirements to carry out minor building works across the network. Minor building works scope includes a variety of reactive, general maintenance services, including, but not limited to, carpentry, concreting, painting and plumbing. A full list of the required services is included within the Statement of Works. These services are critical to maintaining our assets, safety standards and customer satisfaction across the network.

The market approach is a multi-stage sourcing event for two separable portions, Separable Portion 1: Metro and Separable Portion 2: Regional. Stage 1 will be an Expression of Interest (EOI) to identify and subsequently shortlist capable suppliers for delivering the intended scope of services, followed by Stage 2 a Select Request for Tender (RFT). The Stage 2 Select Request for Tender (RFT) will seek further clarification of service methodology and pricing.

Location

NSW Regions: Far North Coast, Mid North Coast, New England, Cumberland/Prospect, Nepean, Northern Sydney, Inner West, South East Sydney, South West Sydney, Central West, Orana/Far West, Riverina/Murray, Illawarra, Southern Highlands

RFT Type

Expression of Interest For Pre-Qualification - An invitation for Expression of Interest (EOI) for pre-registration of prospective tenderers for a type of work or service. Applicants are initially evaluated against published selection criteria. RFT may then be invited from a panel of providers (as Selective, or Invited).
