RFT Type

Request for Proposals - An invitation for expressions of interest / seeking preliminary proposals. In many cases these may be used as a basis for shortlisting tenderers, along with other criteria such as expertise and experience. Prospective tenderers are initially evaluated for their proposal against the relevant selection criteria. A number of those who best meet the criteria are invited to tender. For complex or some other types of procurement, where the product or service outcomes are highly dependent on the content of the proposals received from Tenderers, the outcome may be negotiated.
