Tender Details

Over four years from 1 July 2022 to 30 June 2026, the NSW Government has committed to establish and commence operation of new and refurbished core and cluster refuges for women and children escaping domestic and family violence (DFV).

The Core and Cluster facilities will be procured occur over three tranches.

This Expression of Interest (EOI) package specifically relates to the Core and Cluster Tranche 1 grant opportunity.

Tranche 1 is seeking to identify shovel ready Core and Cluster projects that can be operationalised between July and Dec 2022. This is to capitalise on advice from sector peaks and individual representations made by organisations which suggest that there are a range of proposals being developed and considered across NSW that could align with the Core and Cluster project.

An online Roundtable will be held on Monday, 9 May 2022.

Please refer to the following link if you are interested in attending the on-line Roundtable:
