Tender Details

The Department of Communities and Justice is seeking to appoint service providers to deliver the Staying Home Leaving Violence (SHLV) program across 11 new locations in NSW.

SHLV is a specialised domestic and family violence program that aims to reduce risk to women and children experiencing domestic and family violence and prevent them from experiencing homelessness.

SHLV supports women and children to stay safely in their own home, or a home of their choice, while the perpetrator is removed. The SHLV service model delivers intensive case management, which is long-term, needs-based and integrated with key agencies such as NSW Police, Women's Domestic Violence Court Advocacy Service, health services, housing and relevant non-government organisation.

Service providers must be non-government, not-for-profit and incorporated entities operating in NSW. The successful service providers will be contracted to deliver the services for a three-year period from on or immediately before 1 July 2022 to 30 June 2025.

Location

NSW Regions: Mid North Coast, New England, Hunter, Inner West, South East Sydney, South West Sydney, Central West, Orana/Far West, Riverina/Murray, Southern Highlands
