Tender Details

This procurement seeks the cost-effective supply of mechanical ventilation control modules for automatic operation of fans via the CO2 sensor input, on an as-required basis for a term of up to 5 years under the Mechanical Ventilation Program.

Location

NSW Regions: South West Sydney

RFT Type

Open Tenders - An invitation to tender by public advertisement with no restriction placed on who may tender. Tenderers will normally be required to demonstrate in their tender that they have the necessary skills, resources, experience, financial capacity, and in some cases licences, accreditations, etc., to fulfil the tender requirements.

Address for Lodgement

Tenders are to be lodged through this eTendering facility.
