Tender Details

Tenders are invited from suitable qualified Work Health & Safety (WHS) contractors for work during the delivery phase of the Coffs Harbour Bypass Project.

The WHS resource will be required to provide verification, assurance and monitoring of contractor WHS conformance to Legal, contractual requirements, and the principal contractor and subcontractor safety management systems. This includes advice for the maintenance of an effective risk management process, through implementing safety policies, protocols and procedures and keeping correct and up-to-date administrative records as-directed by TfNSW

The full requirements for the works are outlined in the Description of Services Brief supplied.

All tenderers must comply with the NSW Government Procurement Policy Framework (NSW Framework) and NSW Government Supplier Code of Conduct (NSW Code).

Copies of the NSW Framework and NSW Code are available at www.procurepoint.nsw.gov.au

Location

NSW Regions: Mid North Coast

RFT Type

Open Tenders - An invitation to tender by public advertisement with no restriction placed on who may tender.

Tenderers will normally be required to demonstrate in their tender that they have the necessary skills, resources, experience, financial capacity, and in some cases licences, accreditations, etc., to fulfil the tender requirements.

Address for Lodgement

Electronic lodgement only
