Tender Details

Sydney Metro is seeking to engage a suitably qualified contractor(s) to deliver a Modular Building for the Integrated Project Office at St Marys.

The purpose of the building is a temporary facility to support the construction of Critical State Significant Infrastructure (CSSI) including an office and amenities compound. The proposed location is on the current “at grade” car park in St Marys, adjacent to the commuter car park. The proposed method of construction is a modular form which will allow the building to be removed at the completion of the project and placed elsewhere to support other projects.

The building will provide up to 200 desks for SMWSA team members, the SSTOM Independent Certifier and the SSTOM partner.

This temporary Integrated Project Office is expected to be operational by Q1 2023.

Location

NSW Regions: Cumberland/Prospect, Nepean

RFT Type

Open Tenders - An invitation to tender by public advertisement with no restriction placed on who may tender. Tenderers will normally be required to demonstrate in their tender that they have the necessary skills, resources, experience, financial capacity, and in some cases licences, accreditations, etc., to fulfil the tender requirements.
