## Tender Details

Sydney Metro is seeking to engage a Service Provider to manage and provide oversight of earthing and bonding services on behalf of Sydney Metro on the Sydney Metro City & Southwest, Sydney Metro West and Sydney Metro Western Sydney Airport (as required).

The services will include, but not limited to, understanding the earthing and bonding risks for the projects, development of plans and strategies, provide Sydney Metro representation on the Electrolysis Committee of NSW, and lead the interface with key utility stakeholders.

The Service Provider is required to provide a team of suitably qualified and experienced personnel for earthing and bonding services to support Sydney Metro in delivering the services.

## Location

**NSW Regions:** Cumberland/Prospect, Nepean, Northern Sydney, Inner West, South East Sydney, South West Sydney

## RFT Type

Open Tenders - An invitation to tender by public advertisement with no restriction placed on who may tender. Tenderers will normally be required to demonstrate in their tender that they have the necessary skills, resources, experience, financial capacity, and in some cases licences, accreditations, etc., to fulfil the tender requirements.

## Multi Agency Access
