Tender Details

Tenders are invited from suitably qualified and experienced contractors to undertake the surface water quality monitoring during the construction and operation of the Coffs Harbour bypass (CHB) project.

The scope of work under this contract includes but is not limited to:

- Collection of surface water samples as per the CHB - Surface Water Quality Monitoring Program;
- Undertaking data analysis;
- Preparing high quality reports;
- Identify to meet the Surface Water Quality Monitoring Program.

The full requirements for the works are outlined in the Description of Services Brief supplied.

Tenderers must:

- Attend the Pre-tender meeting;
- Be a local company based within 100 km of Coffs Harbour;
- Be experienced in large road construction projects.

All tenderers must comply with the NSW Government Procurement Policy Framework (NSW Framework), and NSW Government Supplier Code of Conduct (NSW Code).

Copies of the NSW Framework and NSW Code are available at www.buy.nsw.gov.au

Location

NSW Regions: Mid North Coast

RFT Type

Open Tenders - An invitation to tender by public advertisement with no restriction placed on who may tender. Tenderers will normally be required to demonstrate in their tender that they have the necessary skills, resources, experience, financial capacity, and in some cases licences, accreditations, etc., to fulfil the tender requirements.
