Tender Details

Design and construct offshore artificial reef installations at two locations. The Principal will be deploying a tenth and eleventh offshore artificial reef off the Forster and Terrigal coasts to increase recreational fishing opportunities in the regions.

This follows on from the successful deployment of artificial reefs off Sydney, Shoalhaven Heads, Port Macquarie, Southern Sydney, Merimbula, Newcastle and Wollongong, Tweed Heads and Eurobodalla.

The primary objective of the Works is to improve offshore recreational fishing opportunities by creating a new fish habitat and providing additional fishing locations

Location

NSW Regions: Central Coast, Hunter

RFT Type

Open Tenders - An invitation to tender by public advertisement with no restriction placed on who may tender. Tenderers will normally be required to demonstrate in their tender that they have the necessary skills, resources, experience, financial capacity, and in some cases licences, accreditations, etc., to fulfil the tender requirements.
