Tender Details

SOHT is seeking responses (a **Tender**) from suitably experienced, competent, and skilled organisations to provide the services described:

The implementation and integration of a rostering system that will support rostering functions for all business units within the House.

This includes, detailed requirements gathering, solution design, configuration and testing, integration, migration of existing data, training and implementation support of a SaaS solution.

It is essential that organisations submitting a Tender specifically address the selection criteria in their submission and demonstrate relevant experience and capacity to deliver services within the required parameters.

Location

NSW Regions: South East Sydney

RFT Type

Open Tenders - An invitation to tender by public advertisement with no restriction placed on who may tender. Tenderers will normally be required to demonstrate in their tender that they have the necessary skills, resources, experience, financial capacity, and in some cases licences, accreditations, etc., to fulfil the tender requirements.
