## Tender Details

Sydney Trains owns 2 Mechanised Track Patrol Vehicles (MTPV) stationed at Granville Maintenance centre which are used on the network for visualised track and overhead wiring inspection; enabling the assessment and certification across all Sydney Trains network.

The purpose of this tender is to identify and award a contract to a suitable supplier who provide routine and correctivemaintenance services in accordance with Sydney Trains' Technical Maintenance Plan (TMP) for Bogies and Brakes of the MTPVs.

## Location

**NSW Regions:** Inner West

## RFT Type

Open Tenders - An invitation to tender by public advertisement with no restriction placed on who may tender. Tenderers will normally be required to demonstrate in their tender that they have the necessary skills, resources, experience, financial capacity, and in some cases licences, accreditations, etc., to fulfil the tender requirements.

## Multi Agency Access
