Tender Details

Transport for NSW (TfNSW) is inviting Registrations of Interest (ROI) from suitably experienced and qualified organisations to participate in the procurement process for the design and construction of the Singleton Bypass.

The Singleton Bypass project will be delivered via a design and construct contract.

Key features of the Singleton Bypass include:

- the design and construction of approximately eight kilometres of new highway (the bypass) with a single lane in each direction, including bridge structures over the Hunter River, floodplains and ARTC railway line; and
- key intersection upgrades and modifications to the local road network.

Further information on the project can be found at <https://roads-waterways.transport.nsw.gov.au/projects/new-england-highway/singleton-bypass/index.html>

Prequalification

- the contractor must be prequalified with TfNSW under the National Prequalification System for Civil (Road and Bridge) Construction Contracts for prequalification class (or higher) of R3, B4 and F150;
- if an applicant proposes that the construction aspects of the Project are undertaken by an unincorporated Joint Venture, at least one of the members of the Joint Venture must be prequalified to R3 (or higher), at least one of the members prequalified to B4 and all its members prequalified to minimum F150; and
- the principal design organisation must be registered with TfNSW under the Technical Services

Registration Scheme for Complex Bridge Design and Complex Road Design.

The successful tenderer will be selected through a two stage procurement process. The first stage requires applicants to submit this ROI. A shortlist of applicants will then be selected from this ROI process and invited to submit a tender for the work.

The ROI documents and further details related to the ROI process are available only via the **project data room**. To gain access to the project data room for the ROI stage, prospective applicants must:

1. review the attached document titled “Data Room Interaction Rules”

AND

2. complete, sign and return the Confidentiality and Disclaimer Deed Poll (including completion of Schedule 1, nominating the Data Room Representatives and provision of the Individual Deed Polls in Schedule 2).

An ROI Invitation briefing will be held on **Tuesday 19 July 2022 at 10:00 am (AEST)** via **MS Teams**.

All applicants must comply with the NSW Government Procurement Policy Framework (NSW Framework), NSW Government Supplier Code of Conduct (NSW Code) and New South Wales Industrial Relations Guidelines: Building and Construction Procurement (NSW Guidelines).

Copies of the NSW Framework and NSW Code are available at www.buy.nsw.gov.au. The NSW Guidelines are available at www.industrialrelations.nsw.gov.au.

This project is jointly funded by the Australian Government.

The *Code for the Tendering and Performance of Building Work 2016* applies to this project. This document is available at <https://www.legislation.gov.au/Details/F2019C00289>. By submitting an ROI for this project you will become subject to the *Code for the Tendering and Performance of Building Work 2016*.

It is a requirement for this project that the successful contractor be accredited under the Australian Government Work Health and Safety Accreditation Scheme (the Scheme) at the time of entering into the contract for ‘building work’ for the Project and must maintain accreditation under the Scheme while the ‘building work’ is being carried out. Information on the Scheme is available on the Australian Government website at www.fsc.gov.au.

Location

NSW Regions: Hunter

RFT Type

Expression of Interest for Specific Contracts - An invitation for Expression of Interest (EOI) for pre-registration of prospective tenderers for a specific work or service. Applicants are initially evaluated against published selection criteria, and those who best meet the required criteria are invited to Tender (as tender type Pre-Qualified/Invited).

Address for Lodgement

Completed and signed Confidentiality and Disclaimer Deed Polls are to be emailed to the Contact Officer.
