## Tender Details

Open RFP for proposals for the provision of Transport Sector Support and Development Activities under the Commonwealth Home Support Programme.

Transport for NSW invites submission of Proposals detailing Activity Work Plans (AWPs) for the provision of Transport Sector Support and Development (SSD) Activities under the Commonwealth Home Support Programme (CHSP), for a period of 9 months.

Funding is allocated annually under the CHSP. The provision of activities to support access to transport services under the CHSP is a critical component of the programme. Funding will be allocated to SSD Project Plans which best meet the objectives of the CHSP.

TfNSW is therefore conducting this Request For Expression of Interest (RFEI) to identify activities which deliver Services that best meet these objectives to support a request for funding.

If the funding request is approved by the Commonwealth, TfNSW would proceed to finalise contracts for the Services submitted under this RFEI.
