Tender Details

Transport for NSW (TfNSW) is inviting suitable organisations to submit tenders for a State-wide Supply & Installation of Safety Barrier Systems Panel Contract which will run from January 2023.

Work will be conducted in accordance with the Tender documents and specifications enclosed. This is a Panel Contract and will result in several Tenderers being accepted to the Panel with work being issued as and when required.

Successful tenderers will operate on a panel basis with allocation of work made by TfNSW on the terms set out in the Conditions of Contract. Only those on the panel who have submitted all required documentation would be issued jobs if and when they arise within the region.

All Tenderers must comply with the NSW Government Code of Practice for Procurement and must be an acceptable legal entity.

All tenderers must comply with the New South Wales Government's Procurement Policy Framework (NSW Framework), Supplier Code of Conduct (NSW Code) and New South Wales Industrial Relations Guidelines: Building and Construction Procurement (NSW Guidelines).

Copies of the NSW Framework and NSW Code are available at www.buy.nsw.gov.au. The NSW Guidelines are available at www.industrialrelations.nsw.gov.au.
