Tender Details

Market sounding to seek information and feedback from the market on viable bike stacking facility products for Waterloo Station.

Sydney Metro is seeking to identify suitability qualified and experienced organisations interested in receiving a project information pack and questionnaire which includes information on the details of the C&SW project and vision for the bike stacking facility at Waterloo Station.

Feedback will be requested from mechanised bike stacking organisations on matters covering:

- Company background;
- Cost;
- Design and delivery;
- Customer experience; and
- Operation and maintenance.

Location

NSW Regions: Far North Coast, Mid North Coast, New England, Central Coast, Hunter, Cumberland/Prospect, Nepean, Northern Sydney, Inner West, South East Sydney, South West Sydney, Central West, Orana/Far West, Riverina/Murray, Illawarra, Southern Highlands

RFT Type

Open Tenders - An invitation to tender by public advertisement with no restriction placed on who may tender. Tenderers will normally be required to demonstrate in their tender that they have the necessary skills, resources, experience, financial capacity, and in some cases licences, accreditations, etc., to fulfil the tender requirements.
