### Overview

ACC has opened the Neuropsychological Assessment Services contract to New Suppliers in 2022.

### INFORMATION ABOUT THE SERVICE:

The purpose of the Neuropsychological Assessment Services (NASA) contract is to provide timely, clinical neuropsychological information for ACC to enable the effective planning of rehabilitation services that meet the specific needs of the Client.

The focus of this service is on assessing the impact of the Client's injury(s) on their cognitive, behavioural and emotional functioning.

### WHAT'S IMPORTANT TO US?

Under the contract, Suppliers are accountable for the delivery of all services and for the performance of their named Providers.

Suppliers will need to clearly demonstrate that they understand and can meet the requirements of the NASA service schedule and have immediate capacity to accept referrals from date of contract signing.
