## Overview

The Department of Conservation (the Department) is seeking Proposals to identify a supplier to supply an alloy pontoon marine vessel and related warranty services.

Goods/Service provision includes:

- The building and delivering of a new boat that meet all the mandatory specifications; and
- The services required during the warranty period.

Goods/Service provision excludes:

- The ongoing repair and maintenance of the boat.

Please read the pre-conditions and the mandatory criteria carefully before you start to respond.
