tenders@resolvegroup.co.nz  
Alternate Physical Delivery Address :  
Alternate Physical Fax Number :

### Overview

The Wellington Transport Alliance will be an 11-year partnership between Waka Kotahi, Fulton Hogan and WSP. Its purpose is to operate and maintain the State Highway Network in the Wellington and Wairarapa regions.

While the Alliance will have the means to deliver a large portion of the work, one of our key objectives is to develop a Healthy and Sustainable Supplier Market in the Wellington Region. To achieve this, the WTA would like to invite suitably experienced subcontractors and suppliers interested in being short-listed as providers to submit a Registration of Interest (ROI).

Please see attached for the scope of works the WTA will potentially need partners for.

This ROI process seeks non-price attributes from suppliers (compliance with relevant standards, track record, and sustainable outcomes) and subcontractors (capability, capacity, people, and sustainable outcomes). This is in the form of a short questionnaire detailed in the ROI.

During the tender period, all Applicant queries shall be submitted via email addressed to [tenders@resolvegroup.co.nz](mailto:tenders@resolvegroup.co.nz).

Following this ROI process, the WTA will then engage with short-listed tenderers to submit tenders or proposals for the contract works packages (second stage).

The completed ROI should be uploaded to the GETS eTender box which involves submitting a single file (pdf format) A4 page letter. The file should be labelled as: "WTA Subcontractors and Suppliers Registration of Interest".

Tenderers should refer to the GETS website for instructions on uploading their ROI files (<https://www.gets.govt.nz/SupplierUserTenderHelp.htm>).
