## Overview

The works involve miscellaneous minor works that can be either capital or maintenance items. Typically this will involve works such as minor roads, cycleway/shared path construction, new footpath construction, cobblestone maintenance or upgrades, bus stop platforms, kerb and channel replacement, culverts and other drainage works, modifications to pedestrian ramps, bollards, fences and other general works. Work will be on an as required basis and defined at the time by the Project Manager. No guarantee of a minimum amount of work in any one year is given.

This contract is for a term of three years and two months, ending 30th June 2025 and tendered rates submitted shall hold valid for the term of the contract apart from the cost of materials which will be paid from 1st January 2023 on an open book basis for items 9.1 - 9.6, items 10.1 - 10.5 and items 11.4 - 11.9. The cost of material is to be fixed for the initial 8 months of the contract. The lowest priced conforming tender will be selected as the winning tender.
