Overview

The project seeks to provide access locally to radiation treatment for cancer patients in Northland through the provision of a radiation therapy facility at Whangarei Hospital.

The facility is to include:

- 2 Radiation Therapy (Linac) bunkers, with a shared consult room
- 1 Simulator CT room
- Reception, waiting area and toilets
- Patient change rooms, waiting area and toilets
- 9 consult rooms
- 4 chair/ bed spaces
- Utility rooms – clean utility, dirty utility, general store and physics store
- Offices/open plan spaces
- Staff room, meeting room and staff toilets, shower and lockers
- Connection for pedestrians to the Jim Carney Cancer Centre

There will be a supplier briefing session via Zoom on 28 March 2022 - Please register for the briefing session using the Question and Answer function by 24 March 2022

Following the briefing we request that you register your intention to submit a proposal NLT 12 April 2022. Please use the Question and Answer function to register your intention to submit.

All communications for this procurement must be via the Question and Answer function on GETS. Do not contact the NDHB or the Procurement Officer directly.
