Overview

This Request for Proposal (RFP) is an invitation to suitably qualified respondents to submit a proposal for the School Based Health Services Workforce Development opportunity.

This RFP relates to the purchase of services to develop and implement workforce development and support for School Based Health Services (SBHS).

The aim of the service is to improve SBHS nurses' capability, confidence, and capacity to provide youth specific care to secondary school students.

The budget available for this project is \$470,000 (exclusive of GST). As the funding is capped the requirement is for the total cost, inclusive of all costs (e.g., labour, disbursements/expenses, All of Government fees, etc.), is to be within this funding envelope.

This RFP is an open competitive tender process. It is a single step procurement process.
