Overview

Pharmac invites proposals for the supply of Permanent Coronary Drug-Eluting Stents in New Zealand.

The request for proposals (RFP) letter attached to this listing incorporates the following schedules:

- Schedule 1 sets out the background to the RFP and the range of devices included and types of proposals sought;
- Schedule 2 describes the process that Pharmac expects to follow in relation to the RFP;
- Schedule 3 sets out information about the estimated size of the current market for the devices;
- Schedule 4 specifies the information and evidence you need to include in your proposal;
- Schedule 5 and Attachments 1, 2, 4 and 5 contain the forms in which you are to provide the details of your proposal; and
- Attachment 3 contains the Pharmac terms and conditions to list medical devices on the Pharmaceutical Schedule.

All proposals must be submitted to Pharmac via the Government Electronic Tenders Service (GETS) no later than 5.00pm Tuesday 26 April 2022.

The Permanent Coronary Drug-Eluting Stents which are in scope and out of scope of this RFP are outlined further in Schedule 1, clause 5.

As the market share procurement model for medical devices may be new for some suppliers, we will provide an opportunity for Pharmac staff to answer any questions you might have regarding this RFP process. We expect to hold one supplier briefing meeting via Zoom at 3.00pm on Tuesday 5 April 2022. Please refer to page 6 of the RFP letter for more information.

We look forward to receiving your proposal.
