## Overview

This Contract is for the construction of the Waimate District Council's Point Bush Road Pressure Sewer main and can generally be described as:

- Set-out, planning and coordination of works, traffic and customer liaison and management of the works.
- Construction of approximately 1.9km of Principal supplied 40 to 90 OD PE pipe by open trench.
- Construction of approximately 0.5km of Principal supplied 90 OD PE pipe by trenchless installation.
- Testing, commissioning and the taking of as-built plans.

Waimate District Council will supply all pipe, pipe fittings and domes.

The work is located on Point Bush Rd, Waimate, extending from outside approximately 28 Point Bush Rd to the Cul-de-sac at approximately 228 Point Bush Rd as outlined in the Drawing Documents.

As part of the Waimate District Councils Long Term Plan, and the need to extend services to meet demand in a developing area of the town. The Waimate District Council is seeking tenders for the installation of Point Bush Road Pressure Sewer network, to meet this growth and development.
