This Advance Notice is a heads-up that Southern DHB plans to advertise an RFP for a digital Infrastructure Delivery Partner (IDP) in July 2022. This is for the logistics and outpatient buildings (Stage 1) and inpatient building (Stage 2) digital infrastructure assets of the New Dunedin Hospital. This will be a sizeable contract, worth in excess of \$60 Million, and will encompass procurement, installation and commissioning of all Group 2 and 3 (active digital infrastructure) equipment for the New Dunedin Hospital.

More information is set out in the attached Advance Notice. We've also included a link to a sign-up page, so you can sign onto a mailing list to receive regular news and updates about the New Dunedin Hospital.
