### Overview

A Lead designer is sought who is to provide the Architectural design services for a new 4 TS Block which is to become the new Independent Learning Centre (ILC). The Lead designer will integrate, co-ordinate and manage the sub-consultants into the overall design package.

Overview of programme and requirements for phasing and/or staged handover of the project: The project requires the existing ILC to be relocated and two old prefabs to be removed. The removal of the two prefabs will allow the ILC to be relocated and once removed the new ILC can be constructed. The first phase will be demo of the two prefabs followed by relocation of ILC then stage III the new build.
