Overview

The BOT at Wainuiomata Intermediate are seeking the services of a main contractor to undertake the construction of alterations to the buildings on the school site. The upgrades will result in improvements to the accessibility of the buildings and include:

- Upgrades throughout the site (ramps, screens and hand rails)
- The works are to ideally be undertaken as a single stage project beginning in the first April 2022 or sooner.
- The Contractor will be engaged through a Minor Works Contract (Construction contracts for professional services and works).
- The contractor will be required to arrange inspections with the building consent authority and is responsible for arrange the code compliance certificate.
- Approved Building Consent drawings (construction drawings) will be issued to the successful contractor as they are still processing with the Council
- Timeframes are:
- Start date: Approx: Ideally in July 2022 but the school is able to be flexible for the right contractor
- Due Date for Completion: TBC
- The program is negotiable with a preferred supplier if their price is right.

See attached the relevant tender documents and further details of the work required.
