## Overview

The Department of Corrections Ara Poutama Aotearoa (Ara Poutama Aotearoa) envisages a cloud-based, “as-a-Service” Health Records System which will:

- integrate with all necessary internal and external systems,
- operate on all devices,
- enable staff, people in our care, District Heath Boards and Mana Whenua to input/access relevant health records, and
- provide an easy-to-use method for recording and reporting on interactions about the health and wellbeing of people in our care.
