Overview

The Department (DIA) wishes to establish a panel of suppliers consisting of Asset Management, Operations and Storm Water (AMOS) Professional and Contracting Services who will assist the Three Waters National Transitioning Unit (NTU) and Local Transitioning Teams (LTTs) teams with their service demands.

The main Service Categories that will fall under the NTU AMOS professional services panel are as follows:

- o Subject Expertise and facilitation across water services
- o Project Management
- o Council Water services functions

This Registration of Interest (ROI) is an open single step procurement process to create a panel of suppliers. After evaluation, successful Respondents will be invited to be part of a panel of NTU AMOS Professional and Contracting service suppliers.
