Overview

The DHBs are looking to engage a Mechanical maintenance service provider who can demonstrate their ability to deliver on time high quality programmed maintenance services for all mechanical plant and equipment. This will be done by managing and enabling the trades to do the right job, at the right time and in the right way; and to

- o The required technical specifications
- o All relevant statutory requirements applicable to the services
- o All relevant standards applicable to the services
- o Good industry practice where no specifications or guidance is provided
- o Full compliance to Health and Safety regulations, plans and policies

The following equipment will be out of scope of this RFP:

- Boilers
- Chillers
- Compressors
- Refrigeration
