Overview

The Ministry of Education (The Buyer) is seeking proposals for the upgrade of the fire protection at Waiheke High School, Auckland.

Over the last 12 years the Ministry of Education have upgraded over 650 fire alarm systems at schools throughout New Zealand. The aim of the program is to replace all old type B class change and obsolete systems with ones complying with current building code requirements and New Zealand Standards. We are now into stage 21 of the program and Waiheke High School is the next school to qualify under the program.
