Overview

This Request for Proposal (RFP) is an invitation to suitably qualified Respondents to submit a Proposal for the Project Management Services for the development of a new 13,600 m2 Tower 3' building on the existing podium of the Waipapa Building, Christchurch Hospital. The facility is to be delivered by the Ministry of Health's Infrastructure Unit (HIU), with the Hospital Redevelopment Partnership Group (HRPG) providing governance. The Canterbury District Health Board (the CDHB) is the key stakeholder.

The objective of this RFP is to select a suitably qualified and experienced Project Manager (Project Manager) with appropriate administrative support with whom the Ministry of Health (the Ministry) may enter into a consultancy services agreement based on the CCCS as disclosed as part of this RFP (the Consultancy Agreement). The Respondent will provide the project management services required to meet the scope of services in accordance with this RFP and under the Consultancy Agreement (the Services).

An independent Engineer to the Contract will be appointed. The Project Manager will perform specific duties of the Engineer as the Engineer's Representative.

This procurement is notified on GETs however all further communications and submissions of your RFP must be through the Ministry's Project Management software (Procore). You must register with procurement.hrpg@health.govt.nz to receive access to the Tender Tool, all supporting information.
