Overview

The New Zealand Defence Force will shortly be going to market using a two stage procurement process (Registration of Interests and Request for Tenders) for Project Anvil.

We are seeking a main contractor for the construction of Project Anvil.

- Project Anvil is a Maintenance Support Facility located at Burnham Military Camp near Christchurch. It will be 7,000m2 with 16,000m2 of hardstand, and a number of ancillary buildings.
- The construction is anticipated to commence in July 2023.
- The contract type will be NZS3910 with special conditions.

If you are interested in this opportunity please download the Advance Notice and register your organisation on the NZDF tendering website SmartProcure available here <https://nzdf.bravosolution.com>. The Registration of Interest is anticipated to be released on SmartProcure on 19 May 2022.
